wedding day experience

how I work

It is very important to me that I am with you and your bridal party up until the point that you are ready to leave for pictures. For that reason I only take 1 wedding per day. This allows me to ensure that your beauty is perfect for when you officially leave my hands. Going into the wedding I will provide you with a detailed schedule along with instructions on how to arrive regarding hair and skin prep. All wedding services are on location, so I always travel to you.

trial

Your trial is booked separately from your wedding date. Your trial consists of a 3 hour time slot on location. This length of time allows us to go over your needs, expectations and concerns. The best part is 3 hours is a great length of time to try ANY and MANY beauty looks. If you have a couple makeup or hair ideas that you are torn between, we can try them all that way you are able to see what you like best! Both your trial and your wedding day beauty include lashes. A lot of brides book their trial for when they have a wedding related event (engagement pictures or a shower).

contract

Bel Fiore Beauty requires a signed contract with a \$100 deposit to secure your wedding date. The \$100 deposit is subtracted from your final invoice. Due to the high volume of inquiries, it is important to reserve your date as soon as possible. A wedding date is not reserved until the signed contract and deposit are received. Upon receipt Bel Fiore Beauty will send confirmation and adjusted invoice to reflect deposit has been paid.
