KIND WORDS

Carly is the most magical hair and makeup artist I have ever worked with. I booked her to do hair and makeup for myself, 11 bridesmaids, and 2 moms for our wedding day on 11/20. Before our wedding, I had the joy of getting to know Carly and her skills as she beautified me for our engagement shoot, as well as my hair and makeup trial before the wedding. She made me feel and look like a princess for both the engagement shoot and the trial, but made me look and feel like a QUEEN for wedding day. I have never felt more beautiful when Carly did my wedding hair and makeup. She is the most organized and calm vendor that I had the pleasure of working with, and I wish I could do it all over again. Carly worked her magic on my huge and vibrant bridal party as she also made my girls look and feel absolutely gorgeous. She spent her entire Saturday, from 8am-6pm, working her magic and not skipping a beat. She is truly a professional. Carly will be the first one I call for all of my future hair and makeup needs. I cannot say enough wonderful things about BelFiore Beauty. Book Carly. You will not regret it!!!!

Carly is AMAZING!! If you are looking for the perfect hair/makeup artist for your wedding day seriously do not look any further! She was on time the entire morning (even when my girls ran a little late), everyone looked gorgeous, and she is just such a joy to have in the bridal suite while getting ready. She has experience in all types of skin tones and hair types that she will make all your girls feel like a star! Thank you Thank you Thank you Carly for making me feel so beautiful <3

-Mikayla Thomas Bride

Carly was an absolute superstar on my wedding day. She was prompt, professional and kind, and clearly so talented at what she does, she got me and my three bridesmaids looking beautiful in less time than she previously allotted. I truly could not be more happy with how we all turned out and could not have asked for better. Aside from that, her cost is reasonable and Carly is just the sweetest person and a joy to talk with. It feels like a friend is doing your hair and makeup. Don't hesitate with Carly. She won't let you down — in fact, she'll exceed your expectations.
